Move Up Day

On Thursday, August 12th, we will have our annual move up day beginning at 3:00 pm! This will give the children a chance to move up to the new classrooms! If they're not moving classrooms, they'll get a chance to do a fun, planned activity with some new friends!

As we get ready to transition to the new school year, we will have new families as well as visitors entering the buildings. We would like to ask families to be aware when they are holding the door open for others. If you do not recognize a family coming in, please allow them to use their key card for entry or have a staff member let them in. If you have lost your key card and need a new one, please let us know. Thank you!
