2023 – 2024 Holidays

Below is a list of days on which Little Learners will be closed. If a holiday falls on a weekend, Little Learners will close on a weekday in observance of that holiday. These are paid holidays for our staff and tuition is still due for these days. Holidays are listed in your Parent Handbook as well. Please watch future newsletters for reminders of these days as well as additional information on holiday parties and special events.

We will have class parties for Christmas, Valentine's Day, and Easter. We will have an evening, all-school Fall Festival for Halloween. We will also schedule a second special event for each of these celebrations. When scheduling these events, we try to rotate days of the week to allow as many part-time children to participate as possible. Due to the Kansas Health Department regulations, we will not have space to offer the opportunity to attend special events if it is not your child's regular attendance day. However, by scheduling two events for each celebration, we hope to include as many children as possible in these activities.

Month	Holiday	Date Closed
September	<i>Labor Day Little Learners Closed</i>	09/04/23
November	<i>Thanksgiving Day Little Learners Closed</i>	11/23/23
