## Preparing for Cold/Winter Weather

As the weather turns colder, please be sure to bring a coat, hat, and mittens with your child each day. You are welcome to leave a set of mittens and a hat at Little Learners for them to use. (Mittens are easier for children to put on and keep their hands warmer.)

Please also make sure that your child has at least two complete sets of warm clothing to change into as needed. Teachers will be happy to switch these out with any summer clothing at school.

If clothing is sent home, please be sure to send a clean replacement set the next day. If your child needed to borrow clothing from Little Learners, please be sure to return those so they will be available for others as needed.

## Family Literacy Night with JoHo the Storyteller

**Thursday, January 16th**

There will be two sessions of the same story. One from 6:00 p.m. - 6:30 p.m. and the other from 6:30 p.m. - 7:00 p.m.

Everyone is invited to come to school in their pajamas for an evening of storytelling and a special snack!!

## Inclement Weather Policy

*If the Olathe School District closes, Little Learners will **either** have a two hour late start and open at 9:00 a.m. OR Little Learners will close. This decision will be emailed through Tadpoles (and when possible) by 6:00 a.m. On Late Start Days, Little Learners will close at 5:00 p.m. to allow our staff and families to travel home in the daylight.*

## Tax Statements

Parents can download statements as needed through LineLeader. To access statements...

**log in on a web browser (not on the app)...**

From the dashboard, click view and pay. Click the "Payment Statement" icon. Then select Custom Range to select the dates you need. Then **select Detail** and Generate Report. From there, you'll be able to download the report. This option is only available when there is a current balance due. New invoices are created each Friday and auto pay is applied on Monday. So, Fridays are the best day to create statements. Please contact

[Kim@kslittlelearners.com](mailto:Kim@kslittlelearners.com) if you need assistance with statements. We are happy to help as needed.
