Tax Statements

We are always happy to help with statements; however, a great feature with LineLeader is that parents can access statements as needed as well. Statements are only available at app.momentpath.com and are not available through the app.

The following link provides directions and a video for creating statements through LineLeader. Please note to be sure you have selected your parent profile (and not a child's profile) for the "statement" option to be available under the "transactions" tab.

If you ever have any trouble getting a statement, don't hesitate to contact us. We are always happy to send a statement when needed.

Parenting is the *most*
IMPORTANT but **HARDEST** job.
Thankfully, there is help...

Check out our Parent Library with helpful resources available for you.

Our favorite parenting resources are available at the East and West buildings.

Splash Days and Water Days

On splash days and water days, please send your child to school in a swimsuit. Please send an extra set of clothes, socks, underwear, and a towel to school with your child in a labeled bag.

If your child is wearing swim shoes, please also send an extra set of shoes to wear after splashing. We ask that children don't bring any water toys from home so their toys from home don't get lost or broken.

We will apply sunscreen on each child before we go outside.
